

Making Air Reservations

Because participants in the Lebanon-Syria-Jordan tour (with Israel add-on) are coming from various parts of the country, it will be more cost-effective to fly directly from one's home city than to depart from a central group location. For this reason, participants are asked to make their own air arrangements. At the same time, it is strongly suggested that participants contact Brenda of International Travel Network (brenda.m@itncorp.com), phone 877-599-7658. Brenda knows our itinerary and will work with you to get the best fare.

It will be necessary to fly to Beirut and return via Amman or Tel Aviv. Under those circumstances, the preferred carrier is Lufthansa/United. Delta is also a possibility. However, if you have frequent flyer mileage be sure to inform the airline agent of your special requirements. Please inform Distant Dimensions of your flight arrangements. If possible, you will be met at the airport when you arrive.
